ČANJ – A STORY TELLING

This inspiring location, equally embracing the cruel mountain rocks and the warm and tame Adriatic Sea, has been constantly developing and enhancing our vision. To design the complex which perfectly suits the location and merges into the landscape so as to be lofty but available, modern but Mediterranean and carved into the rock just above the sea. And that's exactly what the AMMA Resort is like.

With a boat-shape-hotel anchored in the picturesque cove and surrounding villas naturally merging into the wild landscape, the AMMA Resort presents a meeting point of the wild nature and urban construction.
